2024: A Year of Dunamis Power

In an exclusive Charisma News interview with Pastor Troy Brewer, founding and senior pastor of OpenDoor Church in Burleson, Texas, a captivating revelation for the forthcoming year, 2024, has been unveiled. The dialogue not only sheds light on the prophetic word for the new year but also explores the multifaceted dimensions of God's divine plan.

"God gave us two eyes. And I think it's important to look through both lenses," Brewer emphasizes, underscoring the significance of viewing the future through both the Hebrew and Gregorian calendars.

Drawing from his three decades of seeking the Lord's guidance, he vividly recalls the divine directive given in 1986 to "keep your eye on 2020." The subsequent years, marked by pivotal moments of change in 2016 and 2020, have laid the groundwork for the belief that another transformative shift is on the horizon in 2024.
