A Vision of Redemption: America's 'Superman Prophecy'

Joseph Z's prophetic interpretation of the new "Superman" movie trailer offers a powerful message for America, linking the struggles of the iconic superhero to the nation's current turmoil.

In the trailer, Superman, bloodied and beaten, lies in a snow-filled crater, calling out for help. "The Lord spoke to me when I saw this," Z shares, explaining that the scene represents more than just a superhero's battle—it's a reflection of America's own crisis. "You see the nation that has been under turmoil and duress, down, beaten, bloodied... and then calling out in this moment, rescue and help is on the way."

Superman's plight mirrors the state of the country, according to Z. The character, once a symbol of "truth, justice and the American way," now represents a nation grappling with poor leadership, division and the weight of accusation.

10 Prophetic Insights That Could Be Game-Changers for 2025

As we prepare to step into 2025, Bishop Alan DiDio of Encounter Today delivered a stirring prophetic message during his recent interview with Charisma Media, outlining 10 crucial points for believers to consider in the coming year. His

insights serve as both a call to action and a source of encouragement for the body of Christ. Here are 10 key happenings in 2025 Bishop DiDio addressed:

1. A Year of Divine Disruption

“God is about to disrupt the plans of the enemy in ways we cannot imagine,” DiDio declares. He likened 2025 to the biblical moments where God intervenes abruptly in human affairs. Believers, he said, should brace for unexpected turns and trust that these disruptions are orchestrated for God’s glory.

2. Spiritual Awakening and Revival

DiDio sees 2025 as a continuation of the spiritual hunger witnessed in recent years. “The embers of revival are already burning,” he says. “It’s time for us to fan the flame and prepare for an outpouring like we’ve never seen before.”

US Pastor Found Guilty of ‘Hate Speech’ for Sharing Bible Verse

A Virginia realtor accused of “hate speech” for posting a Bible verse on Facebook has been found “guilty” of an ethics violation.

The Virginia Association of Realtors ruled on Dec. 11, that Wilson Fauber of Staunton violated the ethics code that prohibits realtors from “certain religious expressions.” Fauber maintains he did nothing wrong and is expected to appeal.

This started to come to light last year when the 70-year-old Fauber, a realtor and pastor, decided to run for Staunton City Council. Long before his decision to run, Fauber had reposted

a Scripture from Rev. Franklin Graham on his personal Facebook page in 2015. It stated that homosexual sex is a sin, based on Leviticus 18:22. Then last year, two Staunton realtors, including an openly gay man, filed a complaint with the Virginia Association of Realtors accusing Fauber of “hate speech.”
