Has This Kent Christmas Prophecy for 2023 Been Fulfilled?

Back in September, Kent Christmas shared some very clear and specific prophecies that would come to pass in the last few months of 2023. The question now is whether one of these prophecies has already been fulfilled.

One of the specific prophecies that Christmas spoke over was that God was going to do something to shake up Congress.

"I'm going to so confuse the so-called experts," Christmas said. "I'm going to show up in places nobody thought that I could show up. 'Before I'm done,' says the Lord, 'They will allow a Spirit-filled, Holy Ghost, tongue-talking preacher to open Congress.'"

"

"See, I will do a new thing, now it shall spring forth; shall you not be aware of it? I will even make a way in the wilderness, and rivers in the desert," (Isa. 43:19).

Just as God's promises to Israel are coming true today, so too is God doing something new and exciting around the world as He pours His Spirit out among His people.

America witnessed this in the early part of 2023 as Asbury University experienced an outpouring of the Holy Spirit drawing some 40,000 to the campus in hopes of experiencing the presence of God.

Joel Rosenberg: Israel Is Headed Toward a Historic Romans 8:26 Moment

With the current war started by Hamas and supported financially and militarily by Iran, All Israel News' Joel C. Rosenberg says there is little doubt that Israel is going through one of the darkest moments in its storied history.

But Rosenberg is also convinced that the nation of Israel is headed for some glorious times where Jews from the Holy Land will be saved and grafted into the family of Jesus Christ, thus thwarting the enemy's plans to ultimately send them to the most undesirable place one could ever imagine.

Through the Joshua Fund, founded by Rosenberg and his wife in 2006 with a desire to mobilize Christians to "bless Israel and her neighbors in the name of Jesus," Joel Rosenberg says we are headed toward a Romans 11:26 moment where he believes "all Israel will get saved."
