## **Unmasking False Prophets With Mario Murillo**

One of the gifts of the Spirit is the gift of prophecy. The new testament is full of stories about prophecy. Paul foretold his own arrest, and he teaches the early church that they must test prophecy.

With the modern Pentecostal/charismatic renewal came the resurgence of the gifts, and in the past few decades a prophetic movement has developed. Men like Bishop Bill Hamon and the late Peter Wagner were well known for teaching on the prophetic and the importance in the life of the church.

In my new book *Spirit-Led Living in an Upside-Down World* I have an entire chapter about this and give examples of how modern-day prophets have made a huge difference. I also tell

some stories of where I've been prophesied to or have seen prophecies come true, one of which was the prophecy by Kim Clement that someone like Donald Trump would be elected president for two terms. My book *God and Donald Trump* was my effort to document those prophecies that came true with Trump's election in 2016.
