The Next Few Days Are Vital to Israel's Prophetic Timeline

The month of Av is of major prophetic importance for the Jewish people, and specifically the ninth of Av has historically been a day of destruction for the Jewish people. Now, as the ninth of Av is about to fall on Monday night through Tuesday while Israel is also in the middle of chaos and turmoil, there couldn't be a more critical time to understand what this day is and how it may affect the Jewish people this year.

In a special video on Av, Glory of Zion International's Robert Heidler went through the timeline of all the times when the ninth of Av brought mourning and tears to Israel.
