What Did Kim Clement Reveal in His Final Prophecy?

In his final prophecy prior to his death, Kim Clement spoke of the necessity of God's people to get back to the core of the apostolic church and the mighty ways in which God desires to move through His people.

On Sept. 5, 2015, Clement gave his final prophecy, which included a cry from 2 Chronicles 7:14.

"The Spirit of God would say, today, there is a recovery that is happening. If My people, who are called by My name, [would] humble themselves, pray, turn from their wicked ways, I will hear from heaven. I hear not the sound of secular humanists. I hear not the sound of the religious system. Many churches today are being crucified between two thieves and erroneous false religious system[s] and man-made laws and secular humanism," Clement prophesied.
