What Is the Purpose of ‘Protection’ Angels?

As a “seer in the spirit” from a very young age, Blake Healy says that, although he had the ability to do so, he didn’t feel a natural compulsion to interact with angels.

As he grew older and got more involved in the ministry, Healy began engaging more and more with angels in the spirit realm. And, as he became more knowledgeable about them, some people began to pepper him with questions about “guardian” angels, who they are assigned to and what exactly they are tasked to do.

In his first book, “The Veil,” Healy, the director of the Bethel Atlanta School of Supernatural Ministry, revealed the different kinds of angels he has seen over the years. Those include what he calls “protection” angels.

The Mystery of Practicing the Presence of the Lord

Do you know what I want most as a believer? More and more of the presence of God.

Of course, the day I stand before the Lord Jesus, I want Him to look at me with a smile and say, “Well done.” But while I’m still here on the earth, I want more and more of His presence.

The Word of God clearly states that we are to seek the Lord with all our hearts—not half, not two-thirds, but with all our hearts.

“Blessed are they that keep His testimonies, and that seek Him with the whole my whole heart have I sought Thee: O let me not wander from Thy commandments,” (Ps. 119:2, 10).

Uprooting Darkness: Outcry Erupts From Teacher’s Satanic Posts

An Illinois school district on the outskirts of Chicago has recently taken a decisive step by dismissing a newly hired elementary school teacher amid evidence of promoting Satanism and expressing disturbing thoughts on social media.

The incident has sparked a fervent conversation about the crucial role parents play in safeguarding their children’s lives, along with the biblical principles that guide the responsibility of raising children.

The teacher’s social media posts, which surfaced this month, included troubling statements about embracing a “psychosis and mania” disorder that led to “violent” behavior. Additionally, messages promoting Satanism and using phrases such as “Kill the Poor” and “Love the Devil Back” raised concerns among parents.
