

Open Vision: Heaven's Gemstones Are Being Released Upon the Earth

Something new is being poured out from heaven, and it has shifted the church into waves of revival. It's finally here, and I saw it! It is being released to rain down on the body of Christ.

On April 11, I released a word at our Sunday night service. The Lord took me into an open vision as a fresh wind blew in and His weighty glory fell on me and the room. I saw gemstones raining down from the heavens. I saw three colored stones—red like a ruby, green like an emerald and transparent like a diamond. I looked up toward heaven and saw a row of angels standing shoulder to shoulder.

As I sought the Lord, He showed me there were 12 angels just over my church and maybe 50 in my area, and as I pulled back, I saw multitudes lined up and pouring out all over the earth. Each angel had what appeared to be silver bowls in their hands, and they were pouring the gemstones out of those silver bowls.

The three types of gemstones that rained down on earth were not ordinary gems; they appeared almost wet. When they fell on the people standing with their arms stretched out, the gemstones were indeed liquid. They did not splash off those they landed on; instead, they would land on the skin and be absorbed into the person's body. Each person's body soaked up heavenly gems until they were saturated.

Now the Lord had truly captured my attention. *Liquid gems that are absorbed; what is this Lord, what are these gems?*

The Lord answered me and explained: "The red gem is for the

increase of my love and passion in this season; I am pouring into you my love in greater measure. The green gem is a new power and season I am releasing to you.” I saw new life and seeds growing up into fruitful plants that brought an abundant harvest. This new power was signs and wonders being released on the earth for the equipping of the saints. It was for the new revival that has begun to be poured out. The Lord continued: “The transparent gems are my righteousness being poured upon everyone to purify the bride of Christ, to cleanse you.”

So I opened my bible and did what I always do. I searched out the Scriptures for confirmation. What I found has left me and my church in a state of revival ever since.
