

Prophecy: 2021 Is the Year to Sharpen Your Golden Sickle

What an hour to be alive!

Although we are in an intense battle between good versus evil, this is the greatest, most exciting season of the church. We are about to enter a season of harvest through a revival like the world has ever seen!

At the end of every year, I ask the Lord for His word for the new year. The Lord declared to me, “2021 is the year to sharpen your golden sickle!” And then He pulled back the veil to show me what was happening in the spirit realm. Simultaneously, He reminded me of this principle: We can often discern what God is about to do by how the enemy is currently attacking.

He began to show me Satan going into all the world, through the COVID-19 pandemic, to shut down the gospel. The enemy is bringing destruction to every tribe and tongue. There hasn't been a nation, family, person or church on the face of the earth that has not been affected by this worldwide pandemic in some way.

This vicious attack, the Lord explained, is a preemptive strike against the vast harvest of souls that will be coming into the kingdom through the greatest revival this world has ever seen. Satan is trying to get the people of God discouraged, despondent and battle-weary so that we aren't prepared for the influx of lost souls and prodigals.

So, get ready by sharpening your golden sickle!
