

Prophecy: Angels Will Shoot Arrows of Fire to Ignite Revival

God's glory is breaking through! The Scripture says, "For behold, darkness shall cover the earth, and thick darkness the peoples; but the LORD will arise upon you, and His glory will be seen upon you," (Isaiah 60:2, ESV).

I recently had a conversation with Ashley Gronholm, whom God is using in healing, miracles, signs and wonders. She shared with me how God gave her profound prophetic insight of what is coming to the world, despite the darkness we read about in the headlines every day.

Gronholm said, "One time I had a dream and I saw Jesus. I heard His voice and He said, 'Come!' I've learned that hearing the voice of God is like tuning a radio. The more time you spend in the Word, the more time you spend in prayer, you are tuning in like a radio to hear God's voice."

God gives discernment and wisdom for our situations in life. And He loves to show His friends what is to come. During a deep time of prayer and worship with the Holy Spirit.

"This last year in January, the Lord gave me the most spectacular vision I've ever had in life. He showed me dancing in a golden ballroom with Him, with a beautiful jeweled gown. When He would spin me around in the room the flame would come from the hem of my dress. It was all the glory of Jesus and we were just having the most incredible time together."

"In another moment, Jesus and I were on a chariot of fire and we were circling the globe. We were circling the globe and I began to see pockets of fire all over the world. It wasn't destruction. I heard Him say, 'That's My glory coming over

Africa, over India, over Pakistan, over the United States.' God's glory was about to fall.

"Then I saw many angels shooting arrows of fire down into the earth igniting revivals. The revivals were a response to prayer. Then I saw golden bridges connecting nations and continents. We were riding over those bridges on a white horse."

Gronholm has now been able to minister to over 118 nations through media, spreading revival fire and the glory of the Lord. And she has launched a free ministry training center you can hear about.
