

Prophecy: 'The Lord Says, "A Strange Plan Shall Begin to Unfold in Your Nation"'

Read Time: 4 Minutes 38 Seconds

The Spirit of the Lord says this day, "The stirring up of the waters and those at sea has begun. Why do the nations rage and the people plot a vain thing? I, the Lord thy God, shall hold them in derision as the nations plot and attempt to usurp at sea. However, I, the Lord God, shall break up the agreement of those who have made unholy, dark covenants with each other—their gods making agreements in the air and in the sea in order to attempt to stop what I, the Lord, am doing in the nations.

An Arab Spring

"An 'Arab Spring,'" says the Lord. "However, it shall be in other nations as well, as the pressure has mounted to a boiling point and the people of the nations of the east are restless," says the Lord. "The people of South America are restless," says the Lord. "The people of Canada are restless," says the Lord. "The people of the United States of America are becoming further discontented," says the Lord.

Exposure of Underhanded Agreements

The Spirit of the Lord says this day, "An explosion in China—massive—targeting a certain area of their government, as the underhanded agreements they have made with those in the Middle East have created a tunnel to funnel much, including technology and battle prints that have been stolen through espionage," says the Lord.

A Dark Winter Shall Be Thwarted

The Spirit of the Lord says this day, "The enemy is plotting around the solstices. A dark winter shall be thwarted as the leadership of your nation gets another leg knocked out from under them," says the Lord.

The Cases of the Century

The Spirit of the Lord says this day, "Watch the Supreme Court for a split of sorts, and a fall, as the conditions are being made right for them to hear the cases of the century. Certain judges shall be enabled and equipped to step forth with such a boldness that they shall challenge the giants; they shall shine a spotlight on anti-trust," says the Lord of hosts.

A Strange Plan Shall Begin to Unfold in Your Nation

The Spirit of the Lord says this day, "A strange plan shall begin to unfold in your nation—strange indeed," says the Lord. "For the 'liberalness' thinks it has found a loophole to thread the needle, to bait and switch, to (under the guise of deception, illness and timing) seamlessly switch the leadership. However," says the Lord, "they have miscalculated their timing.

"Demons squabble, and you shall see these movements, who claim to advocate, suddenly turn on each other and infight and accuse and weaken their own agenda." says the Lord, "For it is time to indeed deal with the rainbow. It is time to fracture their foundation; to expose the inner workings of the laundering that is occurring; to expose the disturbing root that has allowed pride to swell.

"However," says the Lord of hosts, "pride cometh before the fall. Haughtiness and pride," says the Lord, "have come to the edge of a destructive cliff, and now that agenda shall suffer one of the biggest blows it ever has, and shall be smeared by its own," says the Lord.

"For that flag has waved in the faces, pridefully, of this

nation long enough; and 'humble pie' indeed shall be served for their insatiable lust to harm and hurt MY creation, and the innocent as well, for what they have done to the little ones.

"Their millstone has been etched with the charges at hand, and it shall be hung around the neck of that movement as it is gut open and all their inner workings come forth, as even this is connected to Ukraine," says the Lord, "their flags, at times, side by side. The connection shall be made, for it is the same groups and spirits working together undercover, and their mask shall now be torn off," says the Lord of hosts.

Watch the monuments in New York City

The Spirit of the Lord says this day, "I am God; there is no other. I change not; I am the same yesterday, today and forever. And I will exact a tax—a wage—on those who have so wickedly attempted to demonize the nation.

"For the high places," says the Lord, "the high places MUST COME DOWN! These high places erected in this nation beginning in the 1960s—the most weighty, the largest—have fractures," says the Lord. "And it is beginning to crumble, as I the Lord send MY judgments into the earth.

"Watch the monuments in New York City—how they are laid bare. Watch the courthouses," says the Lord, "and the most recognizable of government buildings; watch what comes forth from them. Watch as they attempt to conjure up arches and spirits as a major split occurs, as this split goes from New York City to the capital of New York; as foolish decisions and unholy agreements cause the seats to shake and a sudden overturning to occur; as there is a fault line that runs from New York to Washington DC, and it shall be triggered," says the Lord of hosts.
