

Prophecy: The Lord Says, 'You Shall See the First Major Strike in April'

Shaking the Unshakable

"I am God and there is no other. I am the Alpha and Omega. I am the Creator of what is seen and unseen. The earth is My footstool. Do you think the redemption of your nation is really too difficult for Me, My children? I am the God of Abraham, Isaac and Jacob. I am the God of Israel. I am the God who sent My Son, Yeshua, to the earth; and the Word became flesh because I so love the world.

"I am the God who defies the laws of nature, who defies the laws of physics. I am the God who shakes governments. I am the God who knocks down podiums of those who are speaking blasphemies against My kingdom.

"I am the God who shakes what people think is unshakable," says the Lord thy God. "And I am the God, in this hour, who is going to begin to break up and to till and to 'swell' their wicked plans. A *swell* of their own making shall come upon them in this hour—a wave of their own making that they've been making for a long time. And their cup of iniquities has become full, and in this hour, you will see Me pour them out.

"I am the God of justice, and I am the God of righteousness. I am the God who in this hour, shall shake what people think is unshakable. I shall take down leaders that people think are safe. I shall cause leaders to tumble and fall upon their own words, and their own laws. Their own laws, in this hour, of their own making, shall do them in; their own laws that they wove in wickedness, and in greed, and in mammon," says the Lord thy God this day.

“And I the Lord thy God am taking the sword of the Spirit—the Word of God—which is a discernor of the thoughts and intents of the heart, and I am striking that web, and I am striking what they have woven; and you shall see the first major strike come in the month of April. You shall see another soon follow after that.

God Is Raising Up Opposition—There Shall Be a Fall

The Lord thy God says this day, “*I am raising up opposition in their own party*, to oppose them in their own party. Their own making, their own monster, I am raising up in this hour to oppose them. And there shall be very public squabbles, not only within parties here, but around the world,” says the Lord thy God.

“There will be fierce opposition in Canada, within their own leadership,” says the Lord. “There shall be a spill in Canada that the world shall not soon forget. There shall be a spill in Australia that the world shall not soon forget.”

The Lord thy God says this day, “There shall be a fall that is coming in your nation. There shall be a judgment that has already been handed down from My throne. And you will see a tumbling and a ‘breaking up’ of what was woven behind the walls of the White House; what was woven behind the walls of federal buildings in Washington, D.C.; what was woven in facilities in the Midwest; what was birthed there; what was woven in California,” says the Lord.

The Lord thy God says this day, “The line and the chains that they have woven—I the Lord, by force, am set to break. And those chains shall not only break, but they shall disintegrate,” says the Lord thy God this day. “They shall disintegrate.”

Unusual Events That Defy Science and Nature: Pharaoh Will Receive His Demonstration

The Lord thy God says this day, "You will see in this nation and around the world—unusual events that defy science, that defy nature, that defy what leaders say. And they're even going to be described as unusual events—"These things *never* happen"—because I, the Lord thy God, in this hour, am demonstrating My might; I am putting on a demonstration.

"If Pharaoh wants a demonstration, a demonstration he will receive in this hour," says the Lord thy God. "If the pharaohs of this world want a demonstration, if they want to stiffen their necks and dig in their heels, then I Lord thy God shall put on a demonstration in this hour that will contain uncanny events—events that will baffle science; events that will baffle the government; events that will baffle the people, events that are going to baffle the wicked because I am frustrating their *cords* in this hour. I am breaking their cords, I am frustrating them, I am tying them up with them and I am removing them," says the Lord thy God this day.

Hold Fast, My Children! Put Your Trust in Me, O America

"So hold fast, My children. Stand in faith. Put your trust in Me, not a man. It is not a man who is going to save you, O America—it is not! It is I, the Lord your God, who has the outstretched arm to save you. Put your trust in Me. Put your hope in Me. Praise Me and speak in faith in this hour, and I promise you," says the Lord thy God this day, "you will see physical walls come crashing down as a testimony to what's been spoken today." Thus says the Lord of hosts, in Jesus' name.

The Lord also said, "Watch the Great Wall of China." {eo}

Amanda Grace and her husband, Chris, are the founders of Ark of Grace Ministries (located in the beautiful Hudson Valley), walking out the commission in Mark 16:15: "Go into all the world and preach the gospel to every creature." They minister

to all of God's creation, both people and animals. They prophetically minister and teach, breaking down the Word of God (which is living and active) by examining the Hebrew and Greek roots of the Bible as well as the times when it was written to understand the true context of the Scriptures and apply them to life. Another way that Amanda and Chris minister at Ark of Grace is through their animal sanctuary, where they take in lost, abandoned, disabled animals and show them the love of God. Amanda also takes care of her husband, Chris, who sustained a traumatic brain injury in January 2019 and miraculously survived. They have both experienced and understand the incredible power of Almighty God and how He redeems! They teach others—through their testimony, biblical teaching, the prophetic and life lessons of caring for the residents of their animal sanctuary—how the Lord can move in every circumstance of life.
