

Prophecy: There Will Be Strategic and Pivotal Pitfalls During Rosh Hashanah

The Spirit of the Lord says this day, "Is My arm too short that it cannot save My children? Is My power too limited that it cannot intervene? Fear not, for I am with you. Be not dismayed, for I am your God. Behold, I will strengthen you; I will uphold you with My righteous hand," says the Lord of hosts.

A Bypass and a Fall

The Spirit of the Lord says this day, "The heart of the nation has become diseased. The chambers are filled with decay and filth and a bypass is needed and required," says the Lord. "And bypass I will," says the Lord. "For I, the Lord your God, do not submit to man's laws and man-made governments," says the Lord. "I am not under their jurisdiction. However," says the Lord, "they shall certainly be under Mine. For there is a time and season for everything under heaven," says the Lord of hosts, "a time to rise up and a time to fall.

"There shall be a string that attaches strategic falls in this hour," says the Lord. "Rosh Hashanah ... one of the most strategic and pivotal falls and removals shall take place during this time," says the Lord of hosts. "For a dark horse is coming forth and leadership shall be overthrown and challenged. One shall even be a coup and reported as political coup so strategic in its planning and timing that you shall see leaders around this country, I the Lord speak of—you shall see them fumble their words and visibly quake. For the winds of change are blowing across Europe," says the Lord. "The winds of change have begun to go forth in the United States of America."

Areas of Blue Shall Turn Red

The Spirit of the Lord says this day, "The bell shall ring; the hour shall reach midnight, where you see a large shift in positions in this nation, for elections shall not be such. For sticky fingers shall be caught before the elections and arrests made," says the Lord of hosts, "that will further drive the people to take a stand. And areas of blue shall turn red, but not the mixed shade of red that has blue streaks running through it," says the Lord, "but red."

"A red flag, a red flag," says the Lord of hosts. Just watch for not only this nation, but a large red flag to occur in your nation that gives away their position, as a group of three shall fall."

The Spirit of the Lord says this day, "They may attempt to arrest. However, I, the Lord of hosts, shall arrest them. They shall be made immobile—a sick bed of their own making."

Watch for Lightning Strikes and Strange Occurrences in Israel

The Spirit of the Lord says this day, "The time of the shofar—the time of the trumpet," says the Lord. "There shall be complete upheaval in Israel as it is indeed a new year. And a new way shall be made for a new leader to arise in Israel, assisted by one familiar with that seat, as lightning strikes in Israel shall hit in key areas, as well as unusual pressure and weather that shall indicate what is moving in the spirit; as I the Lord thy God am getting ready to completely cut open the entrails of their government and spill out and flush out what has been impacted and blocking what I the Lord God have decreed and written on a scroll and sent it into the earth—into Israel," says the Lord of hosts.

"And that scroll has been read by the holy angels, and the instruction is being carried out, as I the Lord thy God am causing a crack in the brotherhood that has a grip on Israel. There shall be a crack and then total division as they turn on

each other over the slightest comment that shall be made—the spark that ignites the fire,” says the Lord of hosts. “And my holy fire is set to burn near the Temple Mount. What man would call ‘strange occurrences’ will occur around the Temple Mount as a sign that what lies underneath is shifting. And there shall be a discovery brought to the surface from that location, as even the Wailing Wall shall lose a piece as an indication that I the Lord am tearing down their stronghold that they have built.

“And those who have turned on their own people, who are stealing the silver and the gold, who have been moving it from vaults into another neighboring country, shall be caught red-handed,” says the Lord of hosts. “Watch and see as these things come forth and are brought to pass.”

Justice Is Served

The Spirit of the Lord says this day, “The papers will not be in order. The cords of the wicked shall be frustrated; their briefs shall be frustrated. Their case shall not be in order and shall be missing key documentation. And as they push more and more to bring forth an indictment, it shall turn, and that indictment shall fall upon members of the Department of Justice, as it is so named.

“I the Lord thy God have sent holy angels to write the words ‘*justice is served*’ upon the doorposts and areas [of] those attempting to hunt down not only political opponents, but ones who have seen what they are doing. And it has been written above the posts and the doors and the control rooms and the legal areas. And now I shall send My angelic army forth to look for that writing, and where it resides—those shall be struck and removed. Sudden retirement and sudden falls from position shall occur, as I the Lord am sweeping *my justice* through the Department of Justice.

Amanda Grace and her husband Chris are the founders of Ark of Grace Ministries (located in the beautiful Hudson Valley), walking out the commission in Mark 16:15: "Go into all the world and preach the gospel to every creature." They minister to all of God's creation, both people and animals. They prophetically minister and teach, breaking down the Word of God (which is living and active) by examining the Hebrew and Greek roots of the Bible, as well as the times when it was written, to understand the true context of the Scriptures and apply them to life. Another way that Amanda and Chris minister at Ark of Grace is through their animal sanctuary, where they take in lost, abandoned, disabled animals and show them the love of God. Amanda also takes care of her husband Chris who sustained a traumatic brain injury in January 2019 and miraculously survived. They have both experienced and understand the incredible power of Almighty God and how He redeems! They teach others—through their testimony, biblical teaching, the prophetic and life lessons of caring for the residents of their animal sanctuary—how the Lord can move in every circumstance of life.
