

Prophecy: Walk Into This New Season With Boldness and Confidence

We have just experienced a transition of power in America, and I want to encourage you with this bit of prophetic revelation.

I sat before the Lord and heard His heart concerning this matter. Many in the body of Christ have experienced the enemy's unrelenting attempts to stay in power and in the driver's seat in areas of their lives. Prayers have been offered to the Father to remove him from these areas of control where you have seen robbery and destruction. God is saying at this moment, "You will see the manifestation of a transition of power."

Many are about to see the power of the kingdom of God in their lives as never before. You will see prison doors open, eyes opening from deception and spiritual acuteness (The faculty of precise discernment or perception; sensitivity). The Lord is causing you to be razor sharp in the realm of the Spirit and understanding.

This open door that the Lord has set before you has caused many adversaries and unrelenting attacks. He says, "I know your works. Look! I have set before you an open door, and no one can shut it. For you have a little strength, and have kept My word, and have not denied My name" (Rev. 3:8).

Some have suffered from sickness, financial hardship, betrayal and deep depression. Many were in this place before COVID-19 ever happened. The coronavirus was just another attack piled on top of what already was advancing.

Many are wondering: *Will I miss it? Will God come through?* The Lord is decreeing, "by His Spirit, it shall manifest" (see

Zech. 4:6).

You will not miss the open door, and you will not be robbed of anything the Lord has destined for you. He will not allow it to be so. Gird up your loins and keep planning to move into your new space!

You have much coming: new home, career, marriage, ministry, destiny, doors place of provision and great expansion. The Lord our God is fighting for you. Walk into this new season with boldness and confidence. The Lord your God has given it to you!
