

Prophecy: 'We Are at the Tipping Point of Mass Revival'

As I was in prayer concerning the present state of the church at large, the Lord began to reveal to me that we are at the tipping point of mass revival coming. I asked the Lord to share with me what that may look like. He showed a prophetic picture of "wind and fire" coupling. The Lord took me to the following Scriptures:

"Who makes His angels as winds, His ministers a flaming fire" (Ps. 104:4).

"But if I say, 'I will not make mention of Him nor speak any more in His name,' then His word was in my heart as a burning fire shut up in my bones; and I was weary of forbearing it, and I could not endure it" (Jer. 20:9).

The Lord spoke to me that there are coming wildfires of revival hitting the body of Christ. These wildfires will not be destructive fires but constructive and consuming fires of revival. He gave me the image of wooded sticks on fire speaking of people through whom the next move of God will come. God revealed the term "firebrand" in my spirit. He is going to use firebrand-type revivalists who are glory carriers to spark and ignite personal, corporate and global change. It will happen through intense prayer, worship, fasting, soaking, prophesying and Holy Spirit-filled hunger for the glory of God. The Lord said that these Holy Spirit-filled firebrands would be marked with the love of Jesus and passion to see change in their generation.

The *Oxford Dictionary* defines the word "firebrand" as "a person who is passionate about a particular cause, typically inciting change and taking radical action." God is raising up

Holy Spirit-filled firebrands that will become change-makers who will have a God-given cause burning within them to take action to see a radical shift. The Father is going to set many of you ablaze in this season. The Lord is reigniting a new passion for what you have been called and anointed to do. Some of you have lost your fire and passion for what you once loved. God is breathing His breath upon you to rekindle the love and passion again.

The enemy will try to extinguish the fire and the zeal of the Lord in your life. I believe the Lord wants His people to “fan into the flame” the gift He has imparted within us. You are a torch burning in the hands of the Lord for the world to see. We are admonished in the Word of God to not neglect your spiritual gift, which was given you through prophecy when the body of elders laid their hands on you.

“For God has not given us the spirit of fear, but of power, and love, and self-control” (2 Tim 1:7).

What was it that Timothy had to “fan into flame”? Well the Scripture was clear that it was the gift of God. What gift so to speak? Some may say it was the eternal gift but I don’t believe it was that *per se* but the gift of God that was imparted into him by prophetic utterance and laying on hands as an apostolic charge to fulfill his calling. Some Bible scholars believe that it means that Timothy was to reignite his ministry, since the Greek word (here translated “fan into flame”) can mean “rekindle.” However, in other translations of the word means to “kindle into flame” or “fire it up.” Let us look at the full text in 2 Timothy 1:6-7 (NKJV): “Therefore I remind you to stir up the gift of God which is in you through the laying on of my hands. For God has not given us a spirit of fear, but of power and of love and of a sound mind.”

The apostle Paul was not telling his spiritual son Timothy to rekindle something that had died in his apostolic ministry or calling. He is telling him to take the gift God has given him

and set it on fire (in a good sense). He was telling Timothy to stir up the gift of God, while at the same time to become a firebrand of revival. Don't let your gift lay dormant but become a fire-starter in your generation! Paul's primary directives to Timothy were to ignite the gift God has deposited into him and use it for God's purposes boldly, soberly, passionately and in love.

As revival is coming in a new way we are going to hear messages that will possess prophetic power to set others ablaze. Ministers of the gospel are called like Timothy to preach and teach like men and women on fire. God is going to use many of your spiritual gifts in remarkable ways to bring revival to those you encounter daily. You will be the "burning ones" in your city, community, church, ministry, family, business, nation and generation to set others on fire for the Lord.

Prophecy:

The Word of the Lord came to me, saying: For sons and daughters, I am igniting and making you ministers of flames of fire to release My glory to this generation. I am sending you angelic assistance as winds to help you to bring revolutionary change. And know that I am raising you up in this hour as Holy Spirit-filled firebrands of revival that will come in My power and with My authority, and you will be set ablaze, with signs following. Know, My child, that it is My heart to use you to rekindle the flames that have burned out in this nation and to rekindle the embers that have been left smoldering in the lives of those who have lost their zeal and passion. For surely, it is revival time, and I will be using you to spark again the fire in those who were once used in their spiritual gifts, who have become weary in well-doing. Now is the time for My glory to be radiant throughout the land. What seemed charred, seared and stagnant in your life will be revived as My fire ignites a new passion in your soul, says the Spirit of God. {eoa}
