

Prophecy: What to Expect From July Through January

After the beginning of this year came with lots of twists and turns, you may be wondering what's going to happen in the next half.

Pastor Mike Signorelli is sharing the latest prophetic word of what God has placed on his heart for what's coming from July through January.

"We are in a time of turmoil. We are in a time of the refiner's fire. We are in a time of adversity. We are in a time of the Judas kiss. We are in the time of backstabbing and betrayal. We are in the time of gossip and accusation," Signorelli says.

Signorelli notes that this is the moment when many people may be feeling lonely and rejected. However, what has happened is because the Lord is putting His people through a refining fire to make them holy and righteous.

"The Lord says, 'it's a refiner's fire.' They rejected you so that you would come closer to me. They did not accept you because they don't understand what's inside of you.'"

Signorelli says God is eliminating the influence of different voices and people from the lives of His chosen ones so that the Lord and the Lord alone can become the greatest voice in the lives of His sheep.

"He'll remove you from circles so that you sound like Him and you don't sound like them," Signorelli says.

It is through the fire that the Lord will take out anything that is not of Him inside of His people.

“This refiner’s fire is also the Lord’s way of bringing the last bit of impurities out of you. What does that mean? It means that He’s getting ready to debut you in 2025. But in order to debut you, He has to finish a longstanding process and that’s all right,” Signorelli says.

The confusion, anxiety, depression and feeling that your life is over is just a part of the feelings that will actually pass away as God continues to do a brand-new work inside of you. Transformation is a process, and God has to bring the work He started into completion, just as His Word promises.

In order to finish out this refining process that is coming, Signorelli encourages believer to start praying in tongues more often to push back the flesh.

“You’ve got to begin to speak in the spirit. You have to prophesy. You have to begin to speak in tongues for edification because only your spirit man can collaborate with the Holy Spirit,” Signorelli says.

He also warns that what God is going to want you to do next is something your soul and flesh do not agree with.

“Two-thirds of your being is going to resist what God wants to do. Only your spirit is willing,” says Signorelli.

This is why praying in tongues during this time is so critical. Signorelli prophesies that the rest of June, July, August and September will especially be times of turmoil and adversity.

“You’ll hear about wars and rumors of wars,” Signorelli says. “You’re going to hear about layoffs on your job, in the workplace, yes, it’s going to seem as if the prices increase and the buying power decreases, but again, this has to come to

pass.”

As the growing process for believers continues to unfold, God is asking His people to embrace the transitional season.

“The Lord says ‘you’re not who you used to be, but you’re not who you’re going to be. But celebrate the transition,’” Signorelli prophesies. “I’m bringing you to maturity. Things that used to bother you aren’t going to bother you anymore. Things that used to affect you aren’t going to affect you anymore.”

While this transitional season is painful, Signorelli says it’s all a set up for 2025 and what is to follow.

“I’ve got to rewire your mind to be able to sustain the thing that I’ve called you to. I’ve got to rewire your heart so that it’s unoffendable,” Signorelli prophesies.

“The Lord says, ‘I’m taking you into a time where you will get up there and you will stay up there,’” Signorelli says.

After this transitionary period, Signorelli says that those who trust fully in the Lord will indeed experience great peace and for many years.

“What I’m about to bring you into in 2025 will be a multi-year peace. The Lord says ‘you will have peace as your portion for multiple years,’” Signorelli says.

No matter what you may be facing right now, cling to the Lord as He will guide you, protect you, and keep you in all circumstances.
