

Prophet: Our Choosing of Courage Today Will Qualify the Remnant to Move Into God's Glory

In a profound conversation on *Live Your Best Life With Liz Wright*, Paul Keith Davis and Amy Thomas Davis of WhiteDove Ministries share the vital importance of speaking up and choosing courage in this extraordinary time.

Paul Keith shares that we are moving into the age of glory, and “Our response to what we’re seeing take place today, and our choosing of courage, is what will qualify the remnant of God’s people to move into what He wants to do, which is fill the earth with His glory.” God’s intention is that He would find a body of people upon whom He can release His glory.

Paul Keith strongly believes that courage is critical in this hour. The Lord has revealed four key points about courage to Paul Keith, the first being that courage is a choice. Paul Keith shares that “Courage is not the absence of fear; it’s overcoming fear.” Despite how we might feel, we are to obey the Lord and not bow to our emotions or external pressures.

Amy has deeply felt the Scripture from Esther 4:14 emphasized in this hour: “For if you remain silent at this time, protection and deliverance for the Jews will be ordained from some other place, but you and your father’s house shall be destroyed. And who knows if you may have attained royal position for such a time as this?” She believes we have risen to royalty for such a time as this, to shine as the body of Christ.

The Lord also showed Paul Keith that courage is motivated by love. This is a season of great courage and great love. Grace

is available to each of you to break fear and bring hope to those around you. Be bold to trust what God is saying to you and share His heart with courage. You are light and hope upon whom God wants to reveal His glory.
