

Prophet: The Lord Told Me, 'You Can Command Your Healing'

Prophet and author Dr. Hakeem Collins was lying in bed one night, suffering from two fractures in his jaw. While wrestling with his excruciating pain, Collins says God told him clearly, "You can command your healing."

In obedience to that word, Collins laid hands on his jaw and began to speak to his broken bone. Collins says that as he commanded his jaw to be healed, his ear popped and felt the bone in his jaw begin to realign.

That revelation from the Holy Spirit revolutionized Collins' perspective on prophetic healing.

"Some things the Holy Spirit may have you do may look foolish," Collins says. "But you have to trust and believe the Holy Spirit. ... Our pain or our disease or our sickness has ears."

Collins expands on his revelation in his latest book, *Command Your Healing: Prophetic Declarations to Receive and Release Healing Power*. He shares the inspiration behind his book on Dr. Candice Smithyman's show *Spirit Fuel*.
