

Prophetic Dream: 'Great Moments of Vision and Provision Are Upon You'

"He brought (Abraham) outside and said, 'Look up toward heaven and count the stars, if you are able to count them.' And He said to him, 'So will your descendants be.' Abram believed the Lord, and He credited it to him as righteousness" (Gen. 15:5-6).

I saw tents as far as my eyes could see and many of the people of God were in these tents. I then saw the Lord come and tell the people to step out of the tent and look up and see.

The Lord was releasing specific revelation of His plans, His calling over lives, the "next step," divine strategy and manifested promises to come that were spread out as far as the eyes could see.

Many of the people of God turned to Him with shock, with amazement and nervousness and they spoke: "Oh gosh Lord, it's so much bigger than me and bigger than I dreamed!"

With a smile on His face, I saw Him place His arms around His people and He spoke ... "That's because *it's Me!*"

He continued to speak: "It's time to get out of the tent. The limitations, the fears, the confined thinking, "*What can I do?*" mentality and begin to see how I see. Limitations are being broken off and My plans, My purposes, My divine strategies, My "next steps" for you are unfolding before you. They look impossible and they are in your strength, but *with me* you are moving into *new realms of possibility*."

Many of you have "discounted" dreams and visions that have

been placed on your heart because they are so big and you have no idea how you will get there, and how it will happen. I ask you not to work out how to get there, or how it will happen, I ask you to align your hearts and faith with the visions I am releasing and *stay in faith*. For what I am revealing and releasing to you is much bigger than you have dreamed, but *everything is possible in Me*; and you be used beyond your wildest dreams to shine My Glory."

"Do not be limited by the 'how,' but know that the time is now; I am going to make a way where there is no way. Step out of the tent of limiting beliefs and step out into heavenly vision and visitation."

Suddenly I saw "bridges" being formed in the Spirit seemingly "out of nowhere" and so quickly that many of the people of God went from "How is this going to happen, and how is this going to work?" questions to bridges suddenly being created and opened up before them as they stayed in faith. That gets them through impossibility and places them where only He could place them.

I then saw angels approaching the people of God and they were carrying wheels. I have seen wheels numerous times lately in the Spirit and He spoke "I will put wheels on the vision. I will open the doors for your next mission and the vision and it is so much greater than you can envision. You will not be able to envision the provision that is coming to you. Just stay close to Me and listen, as you see glimpses of the heavenly vision I have over your life, steps of great favor and opportunity will open before you by My Spirit. I am about to take you where only I could take you.

"I am going to bring you to a place of manifestation and demonstration of me opening doors that only I could open and no man could shut (Is. 22:22). These doors will be miraculous. How things will come together will not be by your might, or by power, but by My Spirit (Zech. 4:6). All you need to do is

stay aligned, stay close to Me and step out of limiting beliefs through repentance. Your tent pegs are being extended further. Don't let fear and the familiar contain you. I will sustain you. All of heaven's resources are placed before you in Me. Access these resources with your faith, make a withdrawal in faith from these heavenly resources in the vision I have given you."

Some of your greatest moments of vision and provision are upon you and are greater than you could ever envision.
