

Prophetic Dream: The Lord Says, 'I Dealt With Hitler; I Will Deal With Hamas'

On Oct. 18, I had a dream in which I found myself walking the streets of Jerusalem and praying. I sensed the presence of a strong demonic principality. I knew in my spirit that what I was discerning was not new, but it was an ancient evil assigned to annihilate the Jewish people.

Suddenly, God spoke to me in the dream and said, "I will deal with Hamas as I did with Haman."

The way in which I heard God speak to me caused me to immediately understand that "Hamas" is far more than a modern-day terrorist organization. It is a demonic principality that has roamed the earth for centuries, seeking human vessels and people groups through which it can operate.

The prophetic suddenly dream shifted, and I found myself in Germany in the 1940s. I felt the same presence of a strong demonic principality there, just as I did walking the streets of Jerusalem.

God spoke to me in the dream and said:

"I dealt with Hitler just as I will deal with Hamas."

I immediately realized that Adolf Hitler was a host and vessel through whom the demonic principality of Hamas operated during World War II to wipe out the Jewish people.

The prophetic dream shifted one final time, and I found myself

walking a prominent college campus in America. Again, I sensed the same evil presence of a demonic principality that I had discerned walking the streets of Jerusalem, praying, as well as walking the streets of Germany in the 1940s.

God spoke to me in this final scene in the dream and said,

“I will deal with Harvard just as I will deal with Hamas.”

He continued, “Jeremiah, you must warn the church concerning what is taking place at many universities and college campuses in America. For the spirit of Hamas is breeding a never-before-seen generation of intellectual terrorists who will make war on Israel and also attack Christian liberties on U.S. soil.”

Then I woke up.
