

Prophetic Dream: Watch and See What God Will Do in the Next 2 Months

In a dream the other night, I was sitting with the Lord. In front of me, I could see a horizon, except there was this thick layer of fog in front of me that was stopping me from being able to see ahead.

The Lord said to me, "It is now time for the scales to be removed from your eyes and from your heart and from your soul. And this is an hour that I am clearing out every bit of debris and every blockage and every hindrance to you seeing clearly the road ahead that I have for you."

He said, "This is an hour that I'm giving you fresh vision. This is an hour that I'm giving you eyes to see the future that I have planned for you; the future that the enemy has tried to stop you from seeing; the future that the enemy has wanted you disconnected from so that you would lose hope and you would crumble on the battlefield that you were in—so that you would give up in the middle of what looks like a wilderness, but it's only moments and steps away from fruitfulness and advancing.

"And this is an hour [that] I'm giving you back your joy," says the Lord. "I'm giving you back your hope and I'm giving you back your ability to connect with My vision again for your life. For the enemy has tried to keep you in a place of limitation; he's tried to keep you in a place of continual warfare and contending without seeing any fruit, but I am going to reconnect you again with the very manifestation of My presence. My power is going to break through every obstacle, like a hammer breaks rocks into pieces. I'm going to break through every single hindrance that has been at your feet,"

says the Lord.

Confronting the Enemy in Your Life

“And this is an hour,” says the Lord, “that I’m going to confront the areas that the enemy has been trying to keep you tangled and imprisoned.

“This is an hour,” says the Lord, “that I’m coming after the areas that have been trying to keep your heart encased in hard rock. But right now, I’m turning hearts of stone into hearts of flesh. Again, this is an hour that I’m removing the casings of disappointment and discouragement and despondency.

“This is an hour that I’m coming against disbelief that has come and settled. This is an hour that I’m coming to break apathy and complacency; and I’m going to cause your heart to come alive again so that you will be in sync with My vision for your life.

“The very attack that has come against your soul is *right now* being judged, for I’ve seen the dark night that you’ve been in, and now the court is in session.

“I’ve seen that the night has gone on for a very, very long time, without any ability to see the new sunrise or the new day dawning. But this is an hour that I am coming to bring life to your soul again. And I’m breaking through the trauma of even many decades that you did not know that you were even living in.

“This is an hour I’m coming against the very things that have kept your feet concreted to disappointment and concreted to the old wineskin, the old mentalities, the old methods and the old ways.”

The New Day Is Dawning

“And I’m confronting those things for you, for you would say, ‘My best days were in that season’; for you would say, ‘My

best days have already passed.’ But I would say to you that, right now, I’m setting you up for such a glorious chapter that you did not even see coming.

“Right now, in the surrender to the new thing, in the discomfort and the pressing into the pain, I’m going to reveal My glory through your life in a way that you won’t be able to comprehend. I’m delivering you from so many areas of your own strength, and the places where you’ve been running and hustling, but it has not been producing the fruit that you’ve been wanting to see.

“It is time for My Spirit to come and to bring life to you. It’s time for My Spirit to come and to lead you into your best days and break you out of those limitations and man-made methods.”

In the Next Two Months, Watch and See What He Will Do

“For the next two months, watch and see as I pour out revelation, as I open up the flood gates of heaven over your life and I show you the plans and the future that I have for you,” says the Lord.

“Watch in the next two months as, involuntarily, your life gets taken over by revelation. Where there has been such a drought of revelation, where there’s been such a brass heaven, you are now going to feel such a constant rush and a constant flow of language and themes and the things that I will show you for the future.

“For this is going to be a time where the tap of heaven is going to be turned on over your life. And I want you to pick up a pen and I want you to write, and I want you to describe the things I give you ... I want you to let them take over your heart again.

“I want the revelation to hit against the areas of your heart that you’ve been shocked to realize that they have been shut

off. And I want these words to come, and I want them to embed deep into your soul; and I want you to run with them, and then I want you to build with them.”

Right after this part of the dream, I looked ahead and I could see the horizon was clear. I looked out and my heart just gasped in absolute awe at what I could see before me ... It was like I could see the horizon; I could feel a fresh joy coming out of my heart.
