

Prophetic Fulfillment? George Soros Under Watch by White House

On Wednesday, Aug. 27, President Trump called out George Soros on Truth Social, threatening charges against him.

George Soros, and his wonderful Radical Left son, should be charged with RICO because of their support of Violent Protests, and much more, all throughout the United States of America. We're not going to allow these lunatics to rip apart America any more, never giving it so much as a chance to "BREATHE," and be FREE. Soros, and his group of psychopaths, have caused great damage to our Country! That includes his Crazy, West Coast friends. Be careful, we're watching you! Thank you for your attention to this matter!

For Arayomi, this is a real-world confirmation of his prophetic word. "When God speaks, even the news lines up," he added.

Arayomi emphasized that Soros also represents a spiritual principality affecting nations. "This is why ordinary strategies fail. You can't fight corruption and darkness at this level without God," he explained. Arayomi described the season as one where hidden manipulation will be unveiled, and those who have profited unjustly will be exposed.

Another central theme of Arayomi's message is the divine redistribution of resources. "The wealth of the wicked is being laid up for the righteous," he said. He urged believers to prepare to receive kingdom resources previously held in corruption, noting that God moves supernaturally to transfer influence and provision from darkness to light. This, he stressed, is part of the church stepping into new authority and favor.

Drawing on Scripture, Arayomi referenced Matthew 14, where Jesus walks on water, illustrating how believers can move supernaturally even amidst chaotic circumstances. He also cited Acts 12, describing Peter's miraculous escape from prison as an example of God opening impossible doors—doors that, like the strongholds Soros represents, cannot be breached by human effort alone.

Ultimately, Arayomi's prophetic word emphasizes both accountability and opportunity, calling the church to recognize spiritual forces at work behind global events and to prepare for a season of divine intervention and provision.
