

Prophetic Minister Says God Will Restore the Roar to His Followers in 2021

As we put 2020 behind us, I believe that 2021 is a year where God is about to restore the roar in the lives of believers.

The enemy wants to diminish your story and cause you to stop and give up from doing the things that God has called you to do. I believe, in 2021, if we can see ourselves the way others see us instead of the way we see ourselves, it will be an opportunity for us to see change awakened throughout the nation. There is a very important question that we should ask to people in our circles: "What do you see on the other side of me?"

We need to lay our pride down, walk in humility and become great in the Lord instead of settling simply for good. Now is the time for us to get back on fire for Jesus and stir up the gift of God that is within us.

Ask for Jesus to burn and strip us of things that have taken our focus and stolen our joy. It is time to refocus on advancing the kingdom and seeing God do what we can see Him do when we all humble ourselves and pray.

I urge you to pray that's Gods will would be accomplished throughout the nation and world and also that we would awaken change by realizing that we all need to go deeper in our walk with Jesus. I declare that God is shifting things back into alignment in your life, and restoration will come.

Remain focused on Jesus, and watch what He will do when you adhere to the tasks to which He has called you. {eoa}
