

Prophetic Vision: 'I Have Treasures in the 4th-Dimension Vault'

Editor's Note: This is part one of a three-part article. Find part two at [this link](#) and part three at [this link](#).

Not long ago, I had a great vision in the courts of heaven. There was a great vault. Inside the vault were scrolls—great treasures. But the vault also had a lock that needed to be opened and a chain around it that needed to be cut.

I want to explain what I saw and what the Lord said so you can begin healing from your past, embracing the process of taking small steps each day and unlocking your kingdom destiny.

Understanding the 4th Dimension

You may have heard me talk about the fourth dimension. In simplest terms, it deals with the spiritual realm and time. Because God is eternal, He doesn't see things happening the way you and I do.

He is outside of time and space, so when we see into the fourth dimension in the spirit, we see things He sees. We acquire spiritual sight, identifying truths not based on time but on the reality of who God is and what He has stated.

Benefits of Operating in the 4th Dimension

Entering into and operating in the fourth dimension brings freedom and healing. It removes the fear that time can cause.

In the fourth dimension, time is not a factor, so even if your memories or situations are hard to process in the here and now, the fourth dimension allows you to see past your past and present. It gives you eyes to see your situations and seasons

from a perspective of what God is doing, not what you are going through.

As a born-again, Spirit-filled believer, when you enter the fourth dimension, you tap into the supernatural power and live free in everyday life. Being in the fourth-dimension time zone of eternity takes the pressure off, and you no longer need to operate out of haste or discouragement when things don't unfold according to an earthly timetable.

God is not a man that He should lie, so if He gives you a vision or word in the fourth dimension, you can trust it will come to fruition—in His perfect timing.

Keep rejoicing and praising even in the small things. This is when the big things will supernaturally and automatically fall into place.

The fourth-dimension concept refers to factoring in different obstacles and challenges from different time periods.

The Prophetic Vision of the 4th-Dimension Vault

I was in the courts of heaven, and the Lord showed me a vault. Written on the front of the vault was "4D." I asked the Lord, "What is this?" He said, "It's the 4D vault. I have treasures in the fourth-dimension vault."

The next thing I saw was a lock in the shape of a clock. It looked similar to this:

(Curt Landry Ministries)

– 12:00: Seek first the kingdom of God (Matt. 6:33-34).

– 3:00: Remember your power to get wealth comes from the Lord (Deut. 8:18-20).

- 6:00: Walk in the fruit of the Spirit (Gal. 5:22-23).
- 9:00: Believe you can do all things through Christ, who makes you more than a conqueror (Phil. 4:13, Rom. 8:37-39).

God Showed Me How to Open the 4th-Dimension Vault

The Lord showed me that to open the 4D vault, the clock must be set to the fourth dimension of time, which means setting our time with God's, both in the spirit and in the natural. The combination is time, habits and patterns.

After aligning our time, habits and patterns with God in the physical and spiritual realm, the handle can be turned to open the vault.

The Lord Showed Me a Chain

Next, I saw a chain wrapped around the vault. I tried to open the vault using the combination of the clock. I couldn't open it, so I said to the Lord, "Even though I set the clock, I can't turn the handle."

The Lord said, "The handle is obedience. You must be obedient to open it. But before you can open the vault—before positioning your heart to obey—you must first cut off the chain."

"What is the chain?" I asked.

The Lord said, "The chain is a mind stronghold of fear and pride. It must be cut off by My Spirit and by My fire. " So I called on the fire, and like a cutting torch, the fire of God cut the chain off the vault.
