

Prophetic Word: An Early Fall and a Very Loud Trumpet

All glory, honor and praise be to the One who sits on the highest throne, Almighty God—the Lord of hosts is His name—Who judges the nations and its leaders; Who upholds the cause of the fatherless; the holy One who rules and reigns forevermore, and to His kingdom there is no end.

The Dry Places in Your Land Have Triggered an Early Fall

“Dry places in your land—both in the spirit and the natural,” says the Lord, “...the dry places in your land have triggered the process of an early fall,” says the Lord of hosts, “as the trees give up and let go of their leaves in order to preserve in the dryness.

“And,” says the Lord of hosts, “this dryness, this early fall, is connected to the rebellious leaders within your states and the land. For as Ahab’s rebellion caused drought to fall upon the land, so the rebellion of these wicked leaders has produced nothing but dryness and stubble, lack and thorns, in your land.

“However,” says the Lord of hosts, “[in] those dry places, there lie deep wells—wells that are set to open at the appointed time. And the wells shall open,” says the Lord, “and a flood shall purge these wicked leaders and sweep them down river from their position. It shall cleanse and purge all the decay and the rot and the tares and the greed that have oppressed areas of your land, for some are under heavy, territorial oppression.

Watch the Northeast

“Watch the Northeast going into FALL,” says the Lord of hosts, “for serious, sobering events with leadership within

districts—within the schools. And watch the US Postal processing facilities of your land—KEY ones that have the most traffic—for significant scandals and discoveries to come forth that are going to expose more [of] the depths of the channels in your nation that have been moving resources, that have been moving ballots, that have been moving checks, that have been moving letters with such secretive and distinct plans; and maps and blueprints that they dare not send through what the world calls ‘the internet.’”

Oregon Is About to Be Turned Over

The Spirit of the Lord says this day, “Oregon is about to be turned over. The people are crying out and the chain gang of terror is about to suffer a serious fracture. They CHOPPED; now I the Lord shall CHOP and do some clearing and thinning of their forests,” says the Lord, “and remove their covering and leave them bare and vulnerable, without the protection of the corrupt leaders that have so partnered with them.”

A Very Loud Trumpet

The Spirit of the Lord says this day, “A very loud trumpet shall play a different note. A different sound shall emerge as the instrument is being fine-tuned,” says the Lord of hosts. “For what was out of tune, I am bringing into the proper tone,” says the Lord of hosts.

An Inflating Balloon Set to Pop

The Spirit of the Lord says this day, “The heartbeat of watch, and watch the automotive industry to be turned over once again, as one manufacturer completely fractures. And the *benz* shall be *bent* under the weight of their own making, as manufacturers—in droves—turn openly on the leadership of your nation, and will no longer hold hands with the withered hand of the government,” says the Lord of hosts, “as major agreements are breaking under the weight of an inflating balloon that is set to POP as the pressure builds.

A Piece of the White House Building Will Fall

“And the noise of such a tumult shall fall upon the shoulders of the cabinet, as the vice shall be muzzled and the ones on the Hill shall scatter, as even a piece shall fall from the building of the White House as a sign of what is to come. This shall not be a little piece,” says the Lord of hosts, “and shall occur in a very unusual way, as I the Lord thy God am set to do a great work in your nation.

Jesus Is in the Boat

“During the storm, the disciples thought they were sinking; they thought the boat would not make it; they thought they would perish. *However, My Son, Jesus Christ, was in the boat;* and within your nation is a growing remnant in which MY SON is ‘in the boat’ during the storm. And the storm shall not be able to take out and destroy your nation, for I the Lord thy God am the one who rebukes the storm.

“I am the great I Am. I the Lord speak and it is. And I the Lord God see the storm, the whirlwind the enemy has attempted—an F5 indeed—as he attempts to gain momentum. However, the eye is weak; the ‘forming’s’ of the storm are corrupt; and what gives it its power is weakening,” says the Lord of hosts.

Amanda Grace and her husband Chris are the founders of Ark of Grace Ministries (located in the beautiful Hudson Valley), walking out the commission in Mark 16:15: “Go into all the world and preach the gospel to every creature.” They minister to all of God’s creation, both people and animals. They prophetically minister and teach, breaking down the Word of God (which is living and active) by examining the Hebrew and Greek roots of the Bible, as well as the times when it was written, to understand the true context of the Scriptures and apply them to life.
