

Prophetic Word: ‘In the Next 3 Months, You Will See an Overturning in the Political System’

I’m Bronx-born (in Einstein Hospital) from the boroughs, so I have a lot invested in New York. I’ve lived here my whole life. Chris (my husband) was born in New York (we’re native New Yorkers). A Jets and Mets fan married a Giants and Yankees fan, and there was a complete civil war in my family.

A Word of the Lord for New York

“Watch New York going to the end of the year, for unexpected change is upon Albany,” says the Lord of hosts. “They have rebelliously chosen to go off into the darkness where one cannot see. And to maintain control, [they] have released into New York another that shall make itself plain shortly.

“However,” says the Lord, “there is a bear trap, and it shall catch their foot and bring them down from their lofty position. For they have not learned from the fall of the former and shall become even more shameful for what they have done. And this shall trigger a vein in the spirit that runs to California,” says the Lord, “events in the political arena in tandem. Watch and see,” says the Lord of hosts, “for much will flip...” (To read the full August 2, 2022 word, [click here.](#))

New York—The Carotid Artery to DC

Praise the Lord! New York is the carotid artery to DC. It’s one of the biggest valves that pumps into DC what it needs to cause all the damage that it does. And you know when you want to shut off a valve? What do you do? You sever it; you pinch it and you sever it. And I promise you, the leadership of New

York over the next year is going to feel the biggest pinch they have ever felt in their lives.

Cuomo was nothing... What happened with Cuomo was nothing! The leadership of New York was warned that if they did not learn from the fall of the former, their fall would be twice as bad.

Dealing with the Territorial Spirit Over New York

And this is coming because of New York; there is a very intense territorial spirit that resides over New York. I can feel it in the atmosphere. I've lived here my whole life, I can feel it, it's there and it needs to be broken. And you know where it's going to run to? *California*, because it's the same atmosphere; but it needs to be broken. And we're going to call on the Lord to break this in the atmosphere, because this spirit has been sitting on top of the Empire State building and the Freedom Tower—and every other tower it's been playing leapfrog with for way too long. So in a few minutes, we're going to pray.

They've Put All Their Eggs Into One Basket

Help me with this, Lord. The Lord is getting ready, in a very unexpected way, to deliver this nation. The best moves in chess are unexpected. And when somebody chooses to go all in and blitz and overplay what they've done; and they take all of their available resources and go all in, and put all of their eggs in one you know what happens when that basket tips over? You have a bunch of cracked shells and spilled yolks all over the place.

And they've put all their eggs into one basket; they have taken them, and they have put them all into one basket, and the name of that basket is called, "Destroy Trump and anybody that loves this nation." And they have bet on the problem is that the House has the advantage—*the people have the advantage right now*. There are more of you than there are of them.

Over the Next Three Months You Will See an Overturning of the Political System

“Take courage, O leaders who have been stolen from; take courage, O leaders that have been ostracized. I will contend with those in this hour who contend with you,” says the Lord thy God this day.

“And you will see...” says the Lord thy God. “Over the next three months,” says the Lord, “you will see an entire overturning of the political system, and various states, and in DC, their fishing expedition will turn on them,” says the Lord thy God this day, “because I am a God of justice, and I am raising up judges—judges who once were for them but will now be against them. For I am touching the heart of the judges... I am bearing down the conviction on them. And the millstone shall be hung around their necks, with their charges on them, for what they have done to My people,” says the Lord.

“So, take courage in this hour. Know, this day, you serve a mighty God. I am ordering the steps *right now* with the leadership. I am flanking them; I am protecting them; I am going to open their eyes... They are going to see what they never were able to see before.

Amanda Grace and her husband Chris are the founders of Ark of Grace Ministries (located in the beautiful Hudson Valley), walking out the commission in Mark 16:15: “Go into all the world and preach the gospel to every creature.” They minister to all of God’s creation, both people and animals. They prophetically minister and teach, breaking down the Word of God (which is living and active) by examining the Hebrew and Greek roots of the Bible, as well as the times when it was written, to understand the true context of the Scriptures and apply them to life. Another way that Amanda and Chris minister

at Ark of Grace is through their animal sanctuary, where they take in lost, abandoned, disabled animals and show them the love of God. Amanda also takes care of her husband Chris who sustained a traumatic brain injury in January 2019 and miraculously survived. They have both experienced and understand the incredible power of Almighty God and how He redeems! They teach others—through their testimony, biblical teaching, the prophetic and life lessons of caring for the residents of their animal sanctuary—how the Lord can move in every circumstance of life.
