

Prophetic Word: The Lord Says, 'I Am Making the Way Straight in this Nation'

Read Time: 4 Minutes 2 Seconds

Interestingly enough, the Lord has been pointing out some things to me, and I'm going to tell you something about your area first.

You know, one of the fathers of the Declaration of Independence was Thomas Jefferson. He had a mantle on him to specifically do that, and the Lord is raising up a man out of your area that has that mantle. It's going to begin to help shift more in this nation. It is coming, I promise you. It is coming out of this area.

You are going to know this man when he is raised up because his name will be associated with the Declaration of Independence. You will know him by that.

A Cheater Exposed and the True King of the Hill Revealed

Also, I'm going to go back to Medina Spirit for a minute because the Lord said something to me the other day and I almost fell off my chair. Do you remember what happened with this horse? The trainers cheated—the horse won by cheating. And then the horse tested positive, the horse was stripped of his title and then the horse died. Things at the White House are following suit, and I'll tell you why.

Somebody won by cheating, then somebody recently—multiple times—tested positive for something. So now the next course of events is him being stripped of his title and falling down the Hill, because the Lord is the King of the Hill, and they have forgotten that. If they want to play 'King of the Hill' with

Almighty God, He will most definitely play King of the Hill with them, but He will win—He will triumph.

I'll tell you what's interesting. I've been reading the book of Micah, and Micah is interesting because there is a pattern in the Word of God where the kingdom is at stake, and the prophets are sent in. Every time you see the kingdom at stake [at risk] of completely falling, the Lord sends the prophets in. He did it with Micah; He did it with Nathan; He did it with Daniel; He even did it with Joseph (Joseph was a prophet). And we find ourselves in the same position again, and the prophets are being sent in to help set things right—the way God wants them, not the way man wants.

You see, man gets impatient... We get impatient because we want it in our time, but because the Lord is outside the confines of time, He sees whether that's a good time or not.

Thank You, Lord. Have Your way, Lord, in Jesus' name.

"I Am Visiting You"

The Spirit of the Lord says this day, "Is My arm too short that it cannot reach My children? Is My hand too weak that it cannot deal? For I the Lord God am the righteous Judge; I am the One," says the Lord thy God, "that sits on the throne. And I am the One," says the Lord thy God, "that am visiting My people during the months of September and am visiting you. I have come for your word," says the Lord. "I have heard the have heard the prayers of My people, and I the Lord thy God, in the appointed time, am moved to act.

Shaking the Four Corners of the White House, Jerusalem & Rome

"And I the Lord thy God say this day: As you see the tilling of the soil; as you see the shaking up in Israel; as you see the sifting of leaders that is about to take place, know that I the Lord God, this day, then will turn My attention to the United States of America. For I have warned," says the Lord.

"I have given warning after warning. I have given time," says the Lord. "I am ," says the Lord thy God this day, "the clock is reaching the midnight hour.

"And this triangular agreement they have made behind the closed doors of the White have made amidst countries on different triangular agreement," says the Lord thy God this day. "And I shall stretch out My hand, and I shall sign that scroll, and I shall send it as a spear into the nation," says the Lord. "For I have dispatched the captain of the army of the Lord of hosts, and I have dispatched them [the hosts] for an appointed time to shake the four corners of the White House; to shake the four corners of Jerusalem; to shake the four corners of Rome."

Amanda Grace and her husband, Chris, are the founders of Ark of Grace Ministries (located in the beautiful Hudson Valley), walking out the commission in Mark 16:15: "Go into all the world and preach the gospel to every creature." They minister to all of God's creation, both people and animals. They prophetically minister and teach, breaking down the Word of God (which is living and active) by examining the Hebrew and Greek roots of the Bible, as well as the times when it was written, to understand the true context of the Scriptures and apply them to life. Another way that Amanda and Chris minister at Ark of Grace is through their animal Sanctuary, where they take in lost, abandoned, disabled animals and show them the love of God. Amanda also takes care of her husband Chris who sustained a traumatic brain injury in January 2019 and miraculously survived. They have both experienced and understand the incredible power of Almighty God and how He redeems.
