

Prophetic Word: The Lord Says, 'The Power Prodigals Are Coming'

Read Time: 2 Minutes 18 Seconds

"Watch and see," says the Spirit of God, "if I do not raise up an unheard-of company at this hour. Those touched by My power while running from My presence are being brought out of the wilderness for such a time as this."

I hear the Spirit of the Lord say, "You can run but you can't hide. I have chosen you from your mother's womb, to carry My power in a time when My power, made perfect in weakness, has anointed you out of the crowd. Because you said YES in the days of your youth, My Spirit has rested upon you to awaken the nations.

"This is a time," says the Spirit of grace, "when the labels of man and those seated in high places will encounter the surprise of their life. When I said, 'The first will be last and the last will be first,' I created an order for establishing My kingdom. A little here and a little there, you have believed in Me. But now I say to you, that My power prodigals are catching the fire of My presence. These men and women of God have a story to tell of the fire in their bones quaking them awake at this hour.

"The shaking of their past has prepared them for the shaking of this era, to run with the vision of their prophetic revelation. These visions are the revisions My church is in need of at this hour. With the blueprint of the new and the blowing in of the fresh, I am sending My 'revisers' into the fold of My sheep with an urgent and advisory message. This message will shake the pews of the church with divine interventions for the hungry of heart.

“Where the doors of My church have closed prematurely, watch for high-profile leaders to make room for My prodigals. Prodigals to the nations through the five-fold offices are rising in the midst of uncertainty. Hollywood will see them. The school system will release them. In the boardroom and across the market square the elite will perk up and pay attention.”

“It’s a matter of the heart,” says the Spirit of God. “Those hearts who are sold out for Me, are receiving a double portion of My power.”

“His faith did not leave him, and he did not doubt God’s promise; his faith filled him with power, and he gave praise to God. He was absolutely sure that God would be able to do what he had promised” (Rom. 4:20-21).
