

Prophetic Word: The Truth Will Eclipse the Enemy's Darkness

Prophecy

An eclipse is “the period of time during which such an obscuration occurs.”

Our Lord reveals: “The darkness slowly crept into the young minds within this land. It created an absence of light through its obstruction. Over many years, Satan’s evangelism robbed the children, obstructing truth and light from being known.

“Now the light is beginning to break through as truth and light have moved the people out from behind this evil obstruction. As the eclipse is revealed, it will open the eyes of all who have been blinded by the lies of the dark side.

“The dawn of a new era is about to be exposed. It will keep the truth and light beaming brightly for ages to come.”

It Is Written

2 Peter 1:19-21 says, “And we have a more reliable word of prophecy, which you would do well to follow, as to a light that shines in a dark place, until the day dawns and the morning star arises in your hearts. But know this first of all, that no prophecy of the Scripture is a matter of one’s own interpretation. For no prophecy at any time was produced by the will of man, but holy men moved by the Holy Spirit spoke from God.”
