The second assassination prophecy Donn  found from April 2, 2005 also spoke in great length about an assassination attempt. This longer prophecy also described the type of character that this president would have and the calling on his life.

“And some would say, what about the gatekeeper of this nation? What about him? He prays and took the mantle of Ronald Reagan so that this nation may experience great revival. Great breakthrough, great, great, great, great breakthrough. But truly there shall be one that shall attempt to lead three others to his side to kill and to take out. But am I with you tonight where My warriors will stop an assassination because your prayers will make the difference,” the prophecy begins.

The prophecy implies that the president in this circumstance is more than just a president, but one that the Lord would use to guide the people away from wickedness.

“...he is not just a president. He is a shepherd and a prophet that shall deal with the eastern gods and Babylon the great shall fall.”

Lastly, new footage from August 29, 2009 shows Clement prophesying once again about a coming assassination attempt

and three enemies. It also speaks of the “Kennedys” who would come to rise at this time.

“There is a wicked system that is being concocted, that is being put together,” Clement prophesied. “Now I will join hands between Democrats and Republicans to do an unusual thing.”

As we see the fulfillment of these prophecies come to pass, let’s not forget that it is God and God alone who gives this divine wisdom and revelation. When something is from the Lord, it surely will come to pass.
