

Signs and Wonders Today: Imam Meets Jesus in Dream, Bleeding Woman Is Healed

Missionaries in the Middle East are once again reporting signs and wonders, including divine encounters with Jesus Christ. In the latest example, yet another Muslim says he met Jesus in a dream, and the message that was delivered by the “man in white” to this Islamic leader is undeniably supernatural.

Rahman and his team were ministering to people in a small village in the Egyptian desert when he came upon Ahmed – the imam of the village’s mosque and the town’s most important Islamic leader.

Ahmed’s devotion to Islam and the five daily prayers is easily seen by the dark callus on his forehead known as a “zabiba” (Arabic for raisin). This mark is caused by the repeated rubbing of the forehead on the prayer rug after decades of repeated prostration during prayer. Devout Muslims like Ahmed are proud of this mark and see it as an outward sign of their lifelong devotion to Allah.

After being introduced, Ahmed said, “Ah, you are Rahman. Just the man I am looking for. Please tell me the meaning of my

dream last night.”

Rahman said, “Can you tell me more? What was your dream, and why do you think I can help you?”

Ahmed said, “Last night, a man dressed in bright white came to me in a dream. He said, ‘I am Jesus Christ.’ I don’t know who that is, so I asked him to tell me more about himself. The man in white said, ‘Tomorrow you will meet a man named Rahman and he will tell you all about me.’ So, Rahman, who is Jesus?”

Another story that Rahman shared took place in a refugee area where the ministry’s Egyptian team was conducting visits. They met a Syrian woman named Fatima.

Rahman felt the Holy Spirit lead him to share with Fatima the story from Luke 8:42-48 where Jesus healed the woman who had been bleeding for 12 years. Rahman said he couldn’t remember ever sharing that particular story with anyone before. It seemed an odd choice, but he shared it with her.

Fatima abruptly got up and ran out of the room. She quickly returned with five other women and said, “This man just told me a story from his Bible. It is my story, except the years are different. I have only been bleeding for eight years, not 12.”
