

Spirit-Filled Pastor Explains the Proof That We Are Living in the Last Days

This interview with Pastor Larry Huch was absolutely on fire.

Huch talks about his new book, *The Seven Living Prophecies*. He explains how 1 1/2 years ago he was in Jerusalem, where he was at a dinner celebrating the moving of the U.S. Embassy.

Huch explained how he received a word from a lady over the phone. God instructed her to tell Huch right then and there. She was told it could not wait until the morning. She said, "The lion will roar in Jerusalem."

Very quickly, God revealed to Huch exactly what this word of knowledge meant. Huch's son called him and told him that he had to take his son, Lyon, who is 7 months old, to the emergency room. Huch's grandson was then diagnosed with a very rare form of leukemia. They were informed by doctors that no child they have treated has ever survived.

At almost the same time, Huch's wife was diagnosed with ovarian cancer and was given three months to live.

"Getting reports like this is scary when there is nothing man can do," Huch says.

God told him, "Everybody talks about what I used to do, but no one ever talks about what I am going to do." God told him to look at the prophecies that are proven without a shadow of a doubt and that are now being proven. We are right now living in that Messianic era, where God has opened up the windows of heaven and pours out miracles, signs and wonders. This is how the book came about.

Huch talks about how there are seven prophecies that prove we

are in the end times, when Jesus said he would pour out His Spirit. He also shares how God is drawing us back to our Jewish roots.

In his new book, Huch shares instructions on what we don't understand about being Gentiles. He said, "God said in the last days He will open our eyes."

Huch also shares testimony about his past and how God finally grabbed his attention. He went from drug smuggling and being addicted to cocaine and heroin to being able to visit the Oval Office in the White House as a spiritual leader.

After you listen to this episode of *The Keys Against the Enemy* titled *The 7 Living Prophecies with Larry Huch*, you will be on fire for that inner transformation God has in store for you.
