

The Blood of Jesus Part 2

When I first gave my life to Christ, this was one of the first lessons God taught me. He showed me that the blood of Jesus Christ is a shield to the believers and that no agent of Satan or demon can withstand it. I was in a trance that particular day and suddenly saw two agents of darkness appear in my room. Immediately the doors and windows of the room were sealed up. Each of these demonic beings held each of my hands. They said that they were sent from the dark kingdom to arrest me. And immediately, I shouted the blood of Jesus! Do you know what happened? Their hands were forcefully removed from mine, and a powerful force suddenly emerged and began to lift me out of the room through the roof. You know what a trance is? It is not a dream.

I was being elevated upward like a rocket until I vanished from the place. Truly, there is power in the blood of Jesus. We must always use it in confronting the powers of darkness. Plead the blood to repel satanic attacks while going to bed. Plead it before you leave your house each day. Plead it on your children. Cover your food and drinks with the blood. Use them to nullify those bad dreams and plans of the enemy. Plead it wherever and whenever you sense the presence of demonic spirit or you find yourself in any danger. Use it in spiritual warfare and in prayers. It is very powerful and efficient. It does not fail. Satan and his dark agents will always flee from it. Plead the blood to attract the presence and favour of God to you and yours. Truly, no power can face the blood of Jesus in combat!

Listen again to Evangelist Emmanuel Eni:

“A Christian boarded the same taxi with me. He was very zealous and started distributing gospel tracts inside the taxi. When he gave me the tract, I rejected it. He started preaching so I became disturbed and knocked him with the ring

on my finger; that was to kill him. And the boy shouted: 'The blood of Jesus!' Immediately, lightening and fire and an angel appeared. A strong wind again removed me with great force out of the taxi and into the thick jungle. Had it not been that I was a man backed by evil powers, I could have gotten lost in that jungle. Sure, the Christian did not know the war that went on his behalf. All he knew, including the other passengers, was that I had disappeared from the taxi! The name of Jesus or the blood of Jesus in [from] the mouth of a believer sends out fire."

There is tremendous power in the blood and name of Jesus Christ. Get my book, *Power of Midnight Prayer*, to read more on this. Begin today to use them and you will have victory. Use them against witches, those agents of Satan, enemies, stubborn problems, sicknesses, etc. No power can challenge them in the whole universe. We will continue. Share this message. God bless! {eoa}
