

‘The Harbingers of Things to Come:’ Explosive Film Available Through Faith Content Network Now Through July 31

New York Times bestselling author Jonathan Cahn’s explosive new motion picture, *The Harbingers of Things to Come*, was a blockbuster success, topping the charts as one of the top five films viewed across the nation and the third highest per screen average for the two days it was featured in theaters. The first showing alone saw the film rank No. 2 at the box office as the second-highest grossing film nationally. In total, the explosive motion picture saw almost 100,000 people in just two nights and grossed more than \$1 million.

After such a triumph at the box office, *The Harbingers of Things to Come* is now available for hosting at churches, communities, groups and organizations nationwide, through ticketed streaming events from May 13–July 31, 2022 at The Faith Content Network. With a network of nearly 150,000 pastors and church leaders, the Faith Content Network is a collection of churches that present new, faith-driven, theatrical events available in tandem with their exclusive theatrical release.

Cahn dives deeper into the ancient mysteries that lie behind what is happening in America and the world today—and in the future. The film looks at certain symbols and images that reveal the prophetic visions and warnings Cahn has deciphered by studying ancient texts.

“With the release of *The Harbingers of Things to Come* and with

America in such a critical hour, I decided it was time to release these images—to reveal them in a way they had never been revealed before,” Cahn commented. “So for the first time ever, people will be seeing the images for themselves in movie theaters across America.

“These are prophetic images that revealed what was going to happen to America before it happened—events that were linked to the biblical template of national judgment and that are still affecting us to this day,” he said.

The film addresses riveting themes such as whether COVID-19, 9/11, the financial collapse and other shakings all be part of an ancient mystery. Are the shakings that have come upon the world a sign or a warning of things to come? Is that ancient mystery determining the events of our time, and does it reveal the secrets of the future?

From the shores of New England to the steps of the Supreme Court; to a boat on the Hudson River; to the pedestal of the Statue of Liberty, Cahn explores the ancient mystery behind the event shaking America and the world. One thing is certain: Audiences will never see the world the same way again.

Additionally, the film prepares audiences for Cahn’s most explosive book release yet: *The Return of the Gods*. Cahn is known for revealing the stunning mysteries, many from ancient times, that lie behind and are playing out in the events of our times. But with *The Return of the Gods*, Cahn takes this to an entirely new level and dimension. Due for release on Sept. 6, 2022, *The Return of the Gods* takes readers on a journey from an ancient parable to the ancient inscriptions in Sumer, Assyria and Babylonia that become the puzzle pieces behind what is taking place in our world to this day, specifically in America.

With the release of *The Harbinger II: The Return* in September 2020, multitudes of new fans have embraced Jonathan Cahn’s

compelling messages and prophecies, in addition to the millions that are already heeding the warnings and prophecies outlined in his previous books over the past decade.

The author has made multiple media appearances, including on CBN's *700 Club*, TBN's *Praise* and *Family Talk* with Dr. James Dobson.

Cahn's first book, *The Harbinger*, became an instant *New York Times* bestseller when it was published in 2012. His next four books were also *New York Times* bestsellers: *The Mystery of the Shemitah*, *The Book of Mysteries*, *The Paradigm* and *The Oracle*. Along with Billy Graham, Cahn was named one of the top 40 spiritual leaders of the past 40 years who has radically impacted the world.

Called the prophetic voice of this generation, Cahn has spoken on Capitol Hill, at the United Nations, and to millions around the world. Cahn is known for opening the deep mysteries of Scripture and bringing forth messages of prophetic import. He leads Hope of the World ministry, an international outreach of teaching, evangelism and compassion projects for the world's neediest.
