

'The Harbingers of Things to Come' Unlocks a 2,500-Year-Old-Mystery That Lies Behind Current Events

Bestselling author Jonathan Cahn uses both ancient biblical prophecy and the last century of American history to reveal harbingers, or signs of what will happen in the future, currently unfolding on the world stage in his new motion picture, *The Harbingers of Things to Come*. This riveting feature film based on Jonathan Cahn's bestselling and brilliant successes with *The Harbinger* series reveals the ancient mysteries that lie behind what is happening in America and the world today—and in the future. *The Harbingers of Things to Come* will be in theaters across America on Thursday, May 12, 2022, through Fathom Events.

This groundbreaking new motion picture reveals the patterns of ancient history showing up in this millennium. The film will challenge readers as it reveals that America is standing at a most critical and dangerous hour—as was foretold long ago.

In *The Harbingers of Things to Come*, Cahn masterfully dissects critical points in American History: The Civil War, the Second World War, moral decline, economic recession, the threat of communism, the hostile takeover of the U.S. Embassy in Iran, President Reagan's vision of America as "a city upon a hill"—to name a few—and weaves them together in a stunning revelation that many have called "mind-blowing."

Harbingers and their implications have not stopped appearing on American soil but instead have continued up to the present hour, Cahn explains. He points to the Old Testament verse 2 Chronicles 7:14 as a critical directive from God in how to

respond to what Jesus referred to “the signs of the times”:

“If My people. who are called by My name. will humble themselves and pray. and seek My face and turn from their wicked ways, then I will hear from heaven, and will forgive their sin and will heal their land.”

The verse is well known among Christians, but Cahn reveals that for a century or more, Christians have been staring a mystery and its revelation in the face without knowing it. The verse before this famous one reveals a deeper meaning. 2 Chronicles 7:13 ends by referring to a plague—a pestilence—a pandemic—and is immediately followed with a call to return to the Lord. That call to repentance in the face of a pandemic is particularly appropriate after COVID-19.

In the film, Cahn takes audiences on an epic journey from the shores of New England to the steps of the Supreme Court; from a boat on the Hudson River all the way to the pedestal of the Statue of Liberty, to explore the ancient mysteries that are impacting modern-day America.

One thing is certain: audiences will never see the world the same way again.

With the release of his blockbuster book, *The Harbinger II: The Return*, in September 2020, multitudes of new fans have embraced Jonathan Cahn’s compelling messages and prophecies, in addition to the millions that are already heeding the warnings and prophecies outlined in his previous books over the past decade.

The author has made multiple media appearances, including on CBN’s *700 Club*, TBN’s *Praise* and *Family Talk* with Dr. James Dobson.

Along with Billy Graham, Cahn was named one of the top 40 spiritual leaders of the past 40 years who has radically impacted the world. Called the prophetic voice of this

generation, Cahn has spoken on Capitol Hill, at the United Nations, and to millions around the world. Cahn is known for opening the deep mysteries of Scripture and bringing forth messages of prophetic import. He leads Hope of the World ministry, an international outreach of teaching, evangelism and compassion projects for the world's neediest. He also leads the Jerusalem Center/Beth Israel, a worship center made up of Jews and Gentiles, and people of all backgrounds, outside New York City in Wayne, New Jersey.
