

The Lord Is Anointing His Spiritual Firecrackers

I heard the Lord say, "I am anointing my people to be spiritual firecrackers."

I felt this was not just an anointing but a mantle He is placing on His forerunners. Firecrackers are not just loud; they are beautiful. People are drawn to them, and they bring light to the darkness.

He is doing this for His elect, those who, when He says "jump," they ask, "How high?" These are forerunners who will magnify and proclaim His name. They are bold, humble and walk in radical obedience, holiness and radical faith!

He is taking us to a new level of hearing His voice and then acting, sometimes without confirmation ahead. Instead, He will confirm after. This will really be novel to those of us who like all of our corners, "nipped and tucked." He will not disappoint! New track records of this radical faith will dispel all present and future fear.

Firecrackers are also launched simultaneously, and in specific timing and unity. Every one of His "firecrackers" walks in unity with Him and each other. Each different firecracker is unique unto itself, but the synergy of this combination brings beautiful color and majestic displays of great power. It is no longer time of the lone wolf but linking arms for His glory! Matthew 5:14, says, "You are the light of the world. A city that is set on a hill cannot be hidden."

God is ramping it up and setting these spiritual firecrackers in the sky to be seen for miles around.

I heard the Lord also say, "Get ready, for this Fourth of July is a time set in the heavenly realm to mark a transition and

passage for the release of these, My spiritual firecrackers.” I also heard Him say that, “unlike firecrackers in the natural, Mine will never be extinguished. And as their power and beauty are released, they will glow brighter, make louder noise and an explosion that is unlike anything ever seen before!”

Ready, set, boom! Watch for these signs, for “He who believes in Me will do the works that I do also. And he will do greater works than these, because I am going to My Father” (John 14:12).

We have just come out of a dark, difficult and unprecedented time! But I sense God will explode His glory in ways just as unprecedented!

It’s time! Happy Fourth of July! Watch for these signs in the sky that mark this season, this year. For such a time as this, we have been called, anointed, prepared and commissioned to light up the world. {eoa}
