

Top Prophetic Voices Discuss Trump's Stance on Gaza

Some of the top prophetic voices have spoken about the direct, biblical connections occurring right now as President Trump announced his plans for the U.S. to take over the Gaza Strip.

Pastor Mike Signorelli of V1 Church spoke on this issue during a livestream, pointing out how this echoes the wars and rumors of wars that we see spoken about in Scripture.

"Daniel chapter 9 verse 25 [reads], 'So you are to know and understand that from the issuance of the command to restore and rebuild Jerusalem until the coming of the Messiah, the prince. There will be seven weeks of years, and 62 weeks of years. It will be built again with a city, a plaza and a moat, even in times of trouble,'" she says.

Pastor Troy Brewer also chimed in on Trump's command to overtake Gaza, comparing it to the book of Joshua.

"I've been saying, number one, this is a Joshua chapter five moment," Brewer says. "God Almighty is showing up saying, 'I'm here to take over'."
