"On July 24, I was woken up at 7:18 a.m., and I saw this vision of men in...you call it Wall Street," Arayomi said. And they were yelling 'the Dow Jones; what happened to the Dow Jones?' And it was as if overnight a thief had broken in and stolen, and all of a sudden I saw the Dow begin to plummet."

Arayomi shared that after he decided to share about this dream publicly, he saw shortly after that the notifications on his phone began to buzz with the panic that the stock market was plummeting.

Arayomi brought up the fact that we are now in a time of judgement so that we can understand what true, godly righteousness means.
