

WATCH: Class President Declares Prophetic Healing at High School Graduation

This kid knows his stuff.

When a fellow student's family member became ill at a high school graduation, it didn't take Clay-Chalkville High School Senior Class President Christian Crawford very long to listen to the Spirit.

"God, we pray that You would redeem it. God, we pray that You would deliver it," Crawford said into the microphone before he began his speech. "Because we know that you're a God who makes a way, and in the name of Jesus, we declare and decree in the name of Jesus that whatever's going on shall be fixed."

Check out this kid in the video ... and maybe look for him in the pulpit in the future.
