

WATCH: Hospital Nurse Starts Praising Jesus Wildly After the Impossible Happens

Please excuse us while we sob quietly to ourselves over the Lord working a miracle in this teenager's life.

When 17-year-old Bailey Murrill was rushed to the hospital after losing feeling in her legs during a wrestling match with her father, a Christian nurse began to pray over her.

Even though Matthew 21:22 tells us that whatever we ask in prayer will be done, it's doubtful the nurse expected as much.
