

WATCH: Jonathan Cahn Shares Startling Prophetic Mystery About the Seventh Cow

New York Times' best-selling author Jonathan Cahn knew the super Shemitah was coming, but even he was startled when the biblical cycle revealed itself on national media.

A throwback to Pharaoh's dream in Genesis, on Sept. 25, a cow with the number seven was born and hit the news wires.

Now, Cahn says the mystery deepens.

Watch the video to see what he says about the cow.
