

What Happened When the Holy Spirit Fell on Smokey Robinson

Smokey Robinson will open up about his “prophetic” conversion in a new episode of Oprah’s *Master Class*.

Nearly 30 years ago, Robinson found himself in the church pew, face to face with a woman who says God had spoken to her about him.

“She said, ‘The Lord sent you here. I knew you were coming,’” Robinson remembers. “‘What?’ she said, ‘Yeah, I was in prayer about a year ago, your name came out of my mouth, and I stopped and said, “Lord, I don’t know him.”’”

Robinson recalls how the woman said the Lord demanded she pray for him. If she didn’t, the Lord said Robinson would overdose on cocaine and weed.
