

What You Must Do in the Natural to See the Supernatural Manifest

There is a correlation between the natural and the supernatural. If you do the natural, Jesus will do the supernatural.

Jesus desires to do the supernatural in your life, but we need to co-labor with Jesus and do the natural in order for the supernatural to manifest.

In Corinthians, it tells us that prophecy is in part. What does that mean?

We have something to do with our prophetic words. We need to release the natural so the supernatural can happen.

I think Psalm 91:1 says it best. "He who dwells in the shelter of the Most High shall abide under the shadow of the Almighty." First, we have to dwell. We need to do something in the natural such as being with the Lord.

Next, we will abide under the shadow of the Almighty. Abiding is the supernatural. When we dwell in the natural, the Lord will protect us as we abide under His shadow. It is the natural and supernatural concerning each other.

We cannot sit idly by if we have been given a prophetic word or God-given destiny and do nothing. We must first enter into a time of prayer and ask the Holy Spirit for instructions. Now that we have received the direction or revelation, what do we do next?

The Lord can give us creative strategies in which to manifest the very thing He desires for us. We should be declaring audibly for the very thing that He desires to impart to us to

come forth.

Often, the warfare begins when our destiny has been revealed. Therefore, we need to begin to pray on the offense instead of the defense. We need to take action through prayer.

After we receive instructions from the Lord, next we should search the Bible for information about our assignment and what the Lord wants us to be doing. Searching the Scriptures will be helpful and produce many benefits. Make an action plan. This is what I am going to do in the natural with the supernatural revelation I received.

There is a correlation between the natural and the supernatural. Do you partake in the natural so God can continue to release the supernatural in your life? {eoa}
