

Why God Calls You to Be a Glory Carrier

How can we flow in the overflow of the Spirit of Christ in our lives? What helps or hinders the manifestation of the Holy Spirit? On my podcast, *The Glorious Truth with Dr. Joelle Suel*, I share on our call to be glory carriers and glory couriers to a hurting world.

I explain the three main keys to being filled and the three keys to being spilled, out of John 7:37-38, from glory to glory!

This podcast episode of *The Glorious Truth With Dr. Joelle Suel* will enable you to walk in the spirit and minister to others with rivers of living water.
