Do you want to have incredible supernatural and prophetic encounters with Jesus? Biblically speaking, you can! And it all stems from time spent with Him, yielding to His Spirit and surrendering completely to the Lord.

All spiritual encounters need to be tested by the Word of God. If an encounter contradicts the Scripture, then it is either from the flesh or the enemy. But greater is He who is in us than he who is in the world (see 1 John 4:4). The power of God to protect you is greater than the power of the enemy to deceive you.

As a child of God, He wants to talk to you. And you can hear His voice in many ways wherever you find yourself.

I had a conversation with my friend Joshua Marcengill who shared a prophetic encounter he had with Jesus while jogging.

Josh was facing the darkness. He testified how he lost his father and brother to suicide and struggled with depression and suicidal thoughts himself. He started seeking the Lord and went on a jog one day. He said, "I woke up one day and felt completely new. My mind was full of peace, and the anxiety was gone."

He continued saying, "I went out for a jog, and I had this open vision. But the bottom line was I saw Jesus and His eyes, which were full of kindness."

"In that moment," Josh said, "I knew there was so much more to

Jesus than I understood. And He loved me, He knew me and called me by my first name ... Heaven is fully supplied with supernatural encounters for us.”

I’d mentioned that it took me close to 17 or 18 years to share about a life changing encounter I’d had with the risen Lord. And because our stories were similar, I asked Josh to elaborate more on his Jesus encounter.

He responded, “Jesus has transformed me so much. I was not free in any way, shape or form, working over 70 hours a week. ... When I had this open vision, I was running through Balboa Park in San Diego feeling really good. Jesus set the natural beauty of the area up as I ran through the park. Here I am having this open vision, and at first I saw these demons coming. But I kept running, and at one point, Jesus came in. Jesus was so kind and said, ‘Josh, I can take it from here.’”

He described how Jesus fought with a large dragon in this open vision and saw God open up pools of water of the Spirit in the valley. The waters rose up and enveloped Josh in the vision; they rose to the sky and vanquished the demons attached to Josh’s past darkness.

“The Lord set me free that day. That was the end of my anxiety, since that day,” Josh said. “That was my introduction to Christianity.”

You can have supernatural encounters, too. It’s for everyone who calls on Jesus as God loves His children.
