

You've Received a Prophetic Word. Now What?

You've received a prophetic word, or you want to operate in the prophetic, but what do you do next?

Prophecy is wonderful—whether you want to release the prophetic gifting or you receive a word that encourages you. However, the Bible says “we prophesy in part” (1 Cor. 13:9b). You have something to do about the prophetic word that is released and received.

As we are in the last days, the prophetic will come forth even more! Are you ready? Do you have questions? Are there things you want to know so you can release and receive prophetic words?

I ran from my prophetic calling until the Lord convicted me. I also learned how to receive prophetic words, manifest my own words and release words to others. So many believers give up on the prophetic, waiting to release and receive words. I don't want that to happen to you.

I have two tools that will assist you in releasing and receiving the prophetic.

Join me on a journey of having your prophetic words fulfilled. In the following video, I teach on the prophetic and then spend time answering the viewers' questions. I'm sure you've had some of these same questions.

Learn how to release and receive prophetic words and everything you want to know about the prophetic in my e-course, *Release the Prophetic*, available at [.](#)

It will teach you to discern the difference between true and false prophetic, what to do after you receive a word and how

to activate and release the prophetic inside of you! Let me help you walk in your prophetic destiny! {eoa}
