

116 Clique Releases New Christmas Song: 'Real Love'

Reach Records released a new Christmas song under the 116 Clique (known for its Christian rap and pop music), called "Real Love," from the album *The Gift: A Christmas Compilation*. The lyrics reject the idea of a wish list for Christmas, conveying the mentality that Jesus is all we need—He's better than any gift in this world.

"What more do I need?/ When I got You I feel complete/ I can feel Your presence around me/ It's the best gift under the tree."
