

2011 Prophecy: 'You're Hearing the Voice of the President'

As Mark Taylor was watching wealthy businessman Donald J. Trump on TV in 2011, he heard the Holy Spirit say, "You're hearing the voice of the president."

At the time, he didn't know much about Trump and he questioned the thought. But instead of ignoring the prophetic word, he put pen to paper.

He wrote of how, under Trump's leadership, the country would prosper, the dollar grow stronger, relations with Israel improve and more. Then, in 2012, when Trump didn't run, Taylor thought he had missed it. But on June 16, 2015, Trump announced he was running for president of the United States of America.

In this video, Taylor is interviewed about "The Firefighter Prophecy," as it became known because he's a retired firefighter. He goes on to talk about what is yet unfulfilled in the prophecy and the outcome of the 2020 presidential election.
