

4 Critical Words for the Church Right Now

Sadhu Sundar Selvaraj says the Lord gave him a vision about four critical words for the church.

“I saw the Lord in a vision as a gigantic figure standing on the East Coast of the United States, and He was so huge,” Selvaraj tells *The Jim Bakker Show*. “And the map of the U.S. looked like an ant before Him, and He had a shepherd’s rod in His hand that He stretched over the nation.”

Selvaraj says the Lord then reminded him of the prophecy He gave in Ezekiel 20:37.

Is it now time for the prophecy to come to pass? Watch the video to see.
