

Prophecy: A Window of Time Has Opened for Believers to Preach the Truth

I was rejoicing and praising God on Friday, June 24, 2022, for the overturning of *Roe v. Wade*, knowing that an ungodly decree was overturned and one national curse was broken. I heard by the Holy Spirit that there will be many more in the days to come.

He has prophesied through many (myself included) for years that His justice would be coming forth! Praise God for this victory! It has brought forth a piercing of light in the darkness!

As I entered into prayer, I saw heaven opened, the angels and the great cloud of witnesses rejoicing. I saw that a blanket of spiritual oppression and heaviness was lifted. Many shall now be able to see where they were before being blinded to truth.

In the days ahead, we shall see more overturning of evil decrees, and many souls turning from darkness to light!

I heard by the Holy Spirit that there is a window of time open, and acceleration available for those that will step in and do the works that God is calling for in this hour. This window opened *in time* is for us to *move in time* and preach the truth, to declare life and the good purpose and plan of God into the ears of those that God sends us to! It is time to stir up the spirits of others to action during this Kairos moment!

The Lord did not reveal to me how long this window is going to be open, but my sense is that it is for a set time. There will be persecution in days ahead as the enemy rallies his forces,

but now there is great grace to do the work. We will *always* have grace and favor as we do the Lord's work, but now there is a window open and acceleration available.
